A tax invoice for the full year's school fees will be sent out in Term 1 outlining the due dates for payments. Monthly statements will follow during the year via email. The standard payment terms are in three equal instalments in February, May and July. Instalment payments can be arranged with the College Bursar if required. Non-payment of school fees can result in an enrolment being suspended. The due dates for payment will be clearly identified on the invoice at the beginning of the school year.

Fees are payable by cash, cheque, BPay, EFTPOS, credit card (Visa & MasterCard only). Please note our preferred payment method for any credit/debit card payments is **Qkr** by *MasterCard*. *Qkr* will accept payment using any credit/debit card (except American Express) and is a secure phone app for making school payments from a mobile phone.

Sibling Discounts on Tuition Fees are not automatic – application must be made by completing, signing and submitting a Family Registration Form each year by the due date.

If more than one account is to be issued per family, written approval of all parties involved must be obtained - please email the College Bursar for details. Note: Both parents/caregivers are responsible for payment of the fees unless the official application has been received by the College.

In cases of genuine financial hardship, families may apply to the Principal for assistance consideration; please contact the College Office.
